

March, 2003

Dear KATESOL Colleagues:

It gives me great pleasure to send you my congratulations on your anniversary!

You can take pride in the work of your members to support and teach speakers of other languages in Kansas over the years. Your dedication and creativity has meant so much to the individuals you serve.

Although I cannot be with you at the conference, I send my best wishes for a successful meeting and a joyous celebration!

Best wishes to all of you,

Betty

Betty Soppelsa, Deputy Executive Director
NAFSA: Association of International Educators
